Payment details

At the time of purchase, a \$500 deposit per equipment will be charged to your credit card.

Once the deposit is processed, you will receive an email that confirms your equipment is reserved and you will get detailed instructions on how to finalize your equipment purchase. A seller representative will contact you within one (1) business day to assist you in this process.

The balance must be paid by wire transfer. If payment is not received within three (3) business days, the equipment will no longer be reserved, and your deposit may be refunded.

Deposit Refund

A Deposit is refundable up to the close of business on the third business day following the payment of the Deposit. To request a refund, submit your request to tequip@toromont.com with your Order Confirmation Number, a Toromont Equip representative will contact you to finalize the refund as per the terms of the General Sale & Service Agreement available at Check Out.

Non Canadian Buyers

The buyer assumes full responsibility for shipping the purchased equipment. If the equipment is being exported, the buyer must contact the customs authorities in the importing country to verify that the equipment is authorized under an import permit. The buyer must also check if any special measures are required when shipping heavy equipment.
